About Me/

A music fanatic. I love to design anything related to the expression of music and creating my own music. I'm obsessed with writing words, lyrics and poems about everything around us. I also have a love for Photography, Illustration, Animation, Film and everything Graphic Design related.

Work Experience/

All my work experience has been in relation to the local music scene in Belfast. Creating [logos](#) for 'Kitty And The Can Openers' [Webpage](#) for 'Chris Mitchell' [Animation](#) for 'Oppenheimer' etc. I am working on new projects for Belfast bands 'Mutant Culture' and 'Blizzard.'
